W/13/04091/FUL 7 St Margaret's Street

The Planning Committee of the Bradford on Avon Preservation Trust considers this proposed extension an excellent example of the ingenious use of modern materials and architectural language in the solution of a difficult problem created by the site. We would like to congratulate the architect.

The Preservation Trust is concerned that the 4 year limit is being misused here in the same way that garden sheds built in London gardens can be lawfully used to house illegal immigrants after 4 years.
